### Water Main Break at Stewart and Butter Streets

After a week of heavy snowfalls and many hours of clearing streets, the Service Department was called out to a water main break at Stewart Lane and Butter Street. Luckily, this one did not put up too much of a fight and was patched within hours. A big “Thank You” to our crews for battling the freezing temperatures and heavy elements and continuously working towards keeping Germantown safe.

### New Downtown Trash Receptacles

Small changes amount to big improvements! In 2020 Germantown was awarded a Montgomery County Solid Waste District Grant that allowed the City to purchase several downtown benches, bike racks and trash receptacles. The benches and bike racks were installed last summer and just last week the receptacles arrived and were installed throughout town, replacing old, deteriorating, mismatched cans. Constructed of over 75% of recycle material, these receptacles complement the new benches and help keep the streets clean and homogeneous. Big thanks to Pat Higgins, Germantown Grant Writer, and staff for your efforts in obtaining the grant.

### City of Germantown Historic Downtown Façade Improvement Program

In 2018, the City of Germantown received \$25,000 in Montgomery County Community Development block Grant funds for a façade improvement program in our historic downtown. The program provides grant funds to address exterior building conditions that impact the overall safety of a building and the economic vitality of the City of Germantown Downtown Historic District.

Due to the COVID Pandemic preventing property owners from using the program last year, the County has agreed to extend the program to allow more property owners and business owners to participate. For 2021, the program will reimburse applicants for up to 60% of the total cost for eligible exterior building repairs. The maximum grant amount available for a single project is \$5,000.

For additional information or to receive an application packet, please contact Pat Higgins at [phiggins@germantown.oh.us](mailto:phiggins@germantown.oh.us) or 937-855-7255.
