MUNICIPALITY OF GERMANTOWN COUNCIL

MONDAY, MARCH 7, 16

Mark Ketzal, owner of Twin Creek Kayak & Canoe Livery, 1456 West Market Street, stated he has done very well for a new business in town and continues to grow each year. He expressed concern of an approximately 50-foot bank erosion issue along Twin Creek through Kercher Park. This area is getting worse and is in need of attention before someone gets hurt. He is proposing that trees be removed and approximately 55 tons of large rocks be placed along the bank. He is willing to help with the work but feels it would only take one Staff member, himself and a backhoe to complete the job. He has spoken with the Metro Parks and Miami Conservancy who have stated that if the City owns the property that lays up to the bank of the creek then the City has the right to maintain/protect the bank itself. He asked Council to consider making repairs to the bank along Kercher Park.

Mayor Boeder stated that Council would take Mr. Ketzal's request into consideration and the Staff will get back with him.

MANAGER'S REPORT:

Mrs. Gilleland stated she had spent some time speaking with Mr. Ketzal and feels that he has a valued business in town. She would like to speak with the City Engineer to get their feedback before we move forward. We want to make sure that the river is safe but not take on liability by making adjustments without the appropriate governing bodies' approval.

Spring is a busy time of the year for the Staff and she briefly updated Council on several activities. Recycling was discussed at the last Council meeting and we are currently waiting on quotes from Rumpke for recycling containers at Kercher Park, Veterans' Memorial Park, along the bike path, the City Building and also at some of our community events. We will be able to determine how to structure the recycling program after we receive the information.

The Cherry Street Phase 4 reconstruction project will be bid in April and construction will begin thereafter.

The sanitary sewer rehab project will be Engineered in August and bids will be going out January 2017.

The street resurfacing project for 2016 will be bid in May and completed by October. The streets that have been selected by the Engineer include portions of Huber Street, Warren Street, West Center Street, Gunckel Street. These streets will receive a membrane overlay.

The Pool Board met a few weeks ago and we are gearing up for the 2016 pool season. Pool passes are currently available at the City Building.

The Parks Board met last week and we are currently prioritizing various spring projects and reviewing the Budget.

Mrs. Gilleland stated that the Fire-EMS Department and the Senior Center have received donations and Council needs to accept these donations.

MOTION: Mr. Wafzig moved to accept the donation to the Fire-EMS Department and the Senior Center.

ROLL CALL: Mr. Johnson, yes; Mr. Reed, yes; Mr. Rettich, yes; Mr. Wafzig, yes; Mayor Boeder, yes. 5-yes, 0-no. **MOTION CARRIED.**
