BUSINESS:

Tonya Albright with The Master's Reflection Salon expressed concern about employees of downtown businesses parking their vehicles along the Main Street customer parking. When they occupy these spaces for the day, it limits parking for the patrons of the businesses along Main Street. She would like the City to consider placing 2 hour parking zone signs in this area. Staff will distribute a letter to the downtown businesses addressing this issue and ask them for suggestions.

A brief discussion regarding the fire lane near El Rancho and the possibility of it being removed since it is no longer needed. Staff will look into the issue.

Ms. Higgins reviewed the proposed Business Walk. They reviewed the list of businesses to contact. She will make contact with the list of business owners. The Business Walk is tentatively scheduled for the week of July 11
