

# Help Impact the Lives of Cats

**The Humane Society of Greater Dayton is tackling cat overpopulation, but we need your help!**

## Need to Spay/Neuter Your Owned Cat?

The Humane Society of Greater Dayton offers low-cost spay/neuter surgeries for all owned cats!

- **Cost: \$45 per cat**
- **Rabies vaccination is required, if you can't provide proof of the vaccine we can administer one for an additional fee**
- **You must prepay and schedule your surgery by stopping into our main shelter at 1661 Nicholas Road in Dayton during regular business hours (Tuesdays through Fridays from 1:00-6:00pm and Saturdays from 12:00-4:00pm)**
- **Other services are also available for additional fees, including vaccinations, microchipping, nail trims, etc. Please speak with the front desk regarding these services.**

## Want to Help Free-Roaming Cats?

Do you have a passion for helping to control the free-roaming cat population in your community? Sign up to be part of our Free-Roaming Cat Program.

- **Cost: \$5 per free-roaming cat. There is also a \$75 deposit to rent a trap (this is fully reimbursed when you return the trap) and \$1 rental fee per day used.**
- **You MUST use a live, humane trap for this program. Cats will only be accepted that are in a trap and only put one cat per trap.**
- **Residents who participate in this Free-Roaming Cat program schedule a time to bring in the free-roaming cat by calling the Humane Society of Greater Dayton at (937) 268-7387. You then trap the cat and bring it to the shelter where it will be spayed or neutered. The cat will also be ear-tipped, which is the universal sign of an altered stray cat as well as given a rabies vaccine.**
