

## Pool Board/Oversight Meeting notes for June 19

Meeting started at 6:10 and concluded at 6:40

Present Pool Board: Jon Harvey, Nick Moore and Shelly Powers

Absent Pool Board: Adonis Lemke and the open seat

Present Oversight: Tim Johnson, Rick Reed and Jake Stubbs

Devin talked about the following:

1. State of the Pool address, Passes way up! Weather has not been good, but we are doing the best we can!
2. Visit to Mason Pool tomorrow morning.
3. Discussed guards and managers
4. Talked about the compliments from the customers about the heat of the pool, the entry way and the shade structures.
5. Now we need to look at the guts of the pool, talked about heater and chemicals.

Questions that need to be answered from the quote provided

Tim Johnson

Do we need a travel charge for both jobs if being done by the same company?

What is the warranty on the new heater?

He wants the city website updated as it has the 2017 prices on it, which ironically are the same in 2019.

Jake Stubbs

I do not know the amount of money in the township account, but not ready to vote on anything until the season ends.

His suggestion was to do the heater this year and the chemical regulator the following year!

Rick Reed

Are the chemical regulator problem free?

He wants me to call Middletown YMCA's to get opinion of how they like it

Did Jonathon store the cover properly, so that no damage would be done to them?

The committee would like to see the pool post on their bulletin board the opening for pool board as soon as possible! With a 1 hour commitment a month.

The meeting will be changed to 3rd Wednesday at 7:00, instead of 6:00
