Levy Discussion

Lou Potter, German Township Trustee, gave a brief update on the process of the projects that the MMI Committee were doing and offered to answer any questions.

He then discussed the upcoming levies, Fire/EMS and Parks. They discussed a plan if for some reason one of the levies does not pass on the first attempt then any failed levy would be placed on the next ballot. Council and Mr. Potter discussed his suggestion that the city forgive administrative fees charged to the levies for two years to offset the costs.

Council and Mr. Potter discussed various options and what surrounding communities do regarding joint levies with the City and Townships.

All agreed that information will need to be distributed by the City and Township to make the community aware of the need for the Fire/EMS and Parks levy that will be on the upcoming levies.

ADJOURNMENT: There being no further business to come before the Council, Mr. Kuhn moved to adjourn the meeting.

The work session adjourned at 7:53 p.m.
