Devin and Will will be working to make sure we're good for opening weekend. Looking into having Sam's delivered this year. The freezer is fixed and the pergola is almost fully repaired. All but 2 umbrellas have been put up. First day open is May 25th.

The system is running well. There is a leak in the baby pool, but Jason is addressing. Passed out initial health inspection, Fire inspection is next Wednesday. Having VVHS students come Friday to volunteer and clean. The back room will soon be cleared out to make room for guard break room. Will is ordering a new antenna for the XM radio.

Other Business

May 29th is the first Gators practice. They could practice on the 30th from 5-7 pm before the party. Time trials will be June 9th. Will will make sure parties are not booked on meet days. He will also look into getting speakers for the meets. He will be sending Alissa updated list of Gator passes periodically.

Pool Board Comments

Rachel asked if we had heard from other daycares, Will said no. She also asked about extra chairs, Devin confirmed we have about 90. She further asked about umbrellas and stands, Devin shared that he will be purchasing new ones from Sam's. We have 1 more cover for the big umbrellas, though it says Mason currently. We are good for the summer on the big umbrellas, but will look at maintenance in future summers.

Alissa asked about Pool Board vacancies, Will said we will work on filling seats.

Oversight Comments
