Board Comments

Alissa suggested checking first aid supplies at the end of the season to see what is needed for next year. She also asked about potential means of preparing new managers.

It was mentioned that we could make an effort next season to let people know earlier that we will have shortened hours at the end of the year.

Alissa also thanked Patty for joining the staff and doing a great job.

Oversight Comments

Jim mentioned potentially selling the old water slides once new ones are purchased. Lou inquired as to whether there was still a leak in the baby pool, Will said he would speak with Jason.

Lou also mentioned the idea of doing official parties during regular hours and dual parties.
