

The Municipality of Germantown City Beautiful Commission met on October 9, 2018 at 6:10 pm at the City Building. In attendance were Brenda Alsip, Robin Alsip, Kristy Alsip, and Paige Powell. Absent was Rick Reed, council liaison.

**Approval of minutes:**

Minutes were approved for June and July 2018 meetings.

**Old Business:**

The committee unanimously agreed that they prefer not to have tall overbearing plants in the flower pots next year. Stockslagers will be advised, again, that the last two years choices have not been ideal for the location of our pots. Although the cannas bloom throughout the summer, they tend to crowd out the rest of the flowers, as did the decorative feather grass that was used last year. The committee discussed which flowers did well in the city building beds and made notes to assist in buying next year.

**New Business:**

The committee discussed the upcoming Halloween and Fall Landscape decorating contests. It was agreed that we need to wait until closer to Halloween to select a winner to allow for more participants. The committee will meet on October 23, 2018 at 6 pm to select winners for these categories so award signs can be posted before beggars night.

The November meeting will be to plan the upcoming Christmas coloring contest and deadlines, as well as the Christmas decorating contest.

The next meeting will be October 23, 2018.

The meeting was adjourned at 6:43 pm.

Respectfully submitted,

Brenda Alsip
