PARK LEVY

½ MILL REPLACEMENT LEVY

**Vote

KEEP OUR PARKS BEAUTIFUL! A MESSAGE FROM THE PARK BOARD MEMBERS:

The current ½ mill park levy must be renewed every 5 years. The levy generates \$69,623 for operation and maintenance of **Veterans' Memorial Park and Playground, Kercher Park and Weber Soccer Complex**. We also mow **Hillcrest Park and Miami Military Institute property**. Specifically, the Park Levy is used for our baseball, softball, football and soccer fields, tennis and basketball courts, disc golf, parking lots, playgrounds, hiker/biker trail, shelters and other park buildings. The current levy funds less than half of the annual cost of operation and maintenance. This is why a replacement levy is on the ballot in November. If passed, an additional \$33,768 will fund park operation and maintenance; a \$7.68 per year increase for a \$100,000 home. These levy funds and additional city funds, combined with the invaluable support of our many sports and community groups who contribute money and volunteer time, allow us to maintain and improve our facilities. Help us ensure that our parks will be here for the benefit of children, adults and future generations.

Thank you for voting!
